## Living "The Da Vinci Code" Tour

Source: MARKET WIRE

Publication date: 2005-01-19

If you enjoyed Dan Brown's best selling thriller "The Da Vinci Code" -- you may now adventure through MuseumPass.com's newest Guided tour of Paris which will take you to the most important sites covered in the book.

Fact or fiction? Follow your private guide in and around the Louvre museum through works of art to explore the controversial ideas in Brown's book.

The 2-hour private guided visit will take you to the Grande Galerie of the Louvre, the fictional curator Jacques Sauniere was found murdered, enter Leonardo Da Vinci's mesmerizing world hidden in his paintings (Virgin of the Rocks, St John the Baptist, Mona Lisa).

In front of a statue or a painting representing Mary Magdalene, find out if she was a sinner or the bride of Christ, which is, in the meantime, a way to understand the women's position in the Christian religion throughout the centuries.

MuseumPass.com also offers an optional extended 3-hour tour to Discover Saint Sulpice Church and its mysterious "gnomon." This disregarded place is where supposedly Silas killed sister Sandrine.

Prices of the private guided visit start at US\$112.99 and can be booked online anywhere at [www.museumPass.com](http://www.museumPass.com). We have a wide hotel selection and low air transatlantic fares.
